## WHO WE ARE?

### • AIM

“Dr.iZaG's World was designed to change how doctors work together and share knowledge around the world. It's a special platform where verified doctors can connect, exchange ideas, and keep up with the latest in medical research and technology. This platform also supports doctors in doing their own research and exploring new ideas safely and independently.”

### • MISSION

“At the heart of Dr.iZaG's World is a powerful mission: to connect doctors from every corner of the globe with the shared goal of saving countless lives and improving patient care. By offering a space for seamless collaboration and access to the latest medical insights, Dr.iZaG's World empowers doctors to work together, advancing the field of medicine and making a global impact.”

### • FOUNDER

“Dr. iZaG's World is the innovation of Mr. Gazi Varteji, an innovative Indian entrepreneur who recognized a critical gap in global medical collaboration. Driven by the need to encourage real-time communication and knowledge sharing among healthcare professionals worldwide, Mr. Varteji established this platform to bridge these gaps and enhance medical progress.”
