WHY

US?

After numerous customer requests and extensive collaboration with 55 manufacturers, we are excited to announce the launch of our new Third-Party Manufacturing Division. This expansion reflects our commitment to delivering quality products that meet your needs and uphold the high standards established by our successful veterinary business.

Our dedication to excellence in the veterinary sector has inspired us to apply the same rigorous standards to our human pharmaceutical manufacturing. We are committed to providing top-notch products and services, ensuring the highest level of quality and effectiveness.

In addition to our new human pharma offerings, we continue to manufacture a wide range of veterinary premixes as per your specific requirements. Your trust and support have driven this expansion, and we are eager to deliver innovative solutions that prioritize your well-being.

Thank you for your continued confidence in iZaG. We look forward to serving you with our enhanced capabilities and maintaining the same level of excellence in both veterinary and human pharmaceutical manufacturing.
