HOW WE DO IT...

OUR GOAL

Legacy of Quality, Future of Wellness

At iZaG Nutri, our aim is to enhance health and promote self-sufficiency by offering premium, non-adulterated Supplements or Food Products . We are committed to providing the highest quality products through rigorous research and comprehensive testing protocols.

We conduct thorough checks for insecticide and pesticide residues, ensuring our products are free from harmful chemical contaminants. Additionally, our quality assurance measures include screening for artificial colors and common bacteria, as well as performing several other tests based on the latest scientific knowledge available to us*

OUR MISSION

Trusted Supplements for a Healthier You

We take pride in offering Supplements or Food Products that not only match but surpass synthetic alternatives in efficacy and purity. Our dedication to excellence extends beyond product quality; we are equally committed to making these superior Supplements or Food Products accessible to all by ensuring affordability without compromising on safety or potency.

We believe that true wellness should be within everyone's reach, and our range of products reflects this philosophy – offering natural, potent, and cost-effective solutions for those seeking to take control of their health journey.

“We serve you what we and our family eat at home.

SALTS AND SUGARS

The Perfect Balance of Taste and Purity with iZaG

Discover our premium salt and sugar alternatives at www.izagnutri.com.

iZaG Celtic Sea Salt, hand-harvested offers a mineral-rich flavor profile that enhances any dish. Unrefined and minimally processed, it's perfect as a finishing salt, adding a delicate crunch and subtle briny notes to your delicious creations.

For a touch of exotic elegance, try **iZaG Pink salt**. Sourced from ancient sea salt deposits, its striking aroma comes from over 80 trace minerals, lending a mild flavor that complements both savory and sweet dishes. This 100% natural, unrefined salt is available in a fine grain perfect for table use or cooking.

For those seeking a healthier sugar alternative, **iZaG Monk Fruit sweetener** is an excellent choice. This natural, zero-calorie sweetener derived from monk fruit extract is 150-200 times sweeter than sugar, with no bitter aftertaste. It's ideal for baking, beverages, or anywhere you'd use regular sugar, and is suitable for diabetics and keto diets.

SPICES

Authentic Spice Blends, Pure and Powerful

Our carefully sourced and expertly processed spices bring authentic flavors and aromatic excellence to every dish.

Ignite your taste buds with **iZaG's Cayenne Pepper Powder**, a vibrant, fiery spice that adds a perfect kick to any recipe. Our cayenne pepper powder is 100% pure, finely ground, and rich in capsaicin, known for its metabolism-boosting properties. This versatile spice is ideal for various cuisines, including Mexican, Indian, and Cajun.

With a medium-hot heat level of 30,000-50,000 Scoville units, it's available in resealable pouches. Try sprinkling it on roasted vegetables, mixing it into marinades, or adding it to soups and stews for a spicy depth of flavor.
